

GREEN ZONE REQUIREMENTS DOCUMENT

Once again for 2010, METROCON is offering Green Zone booth locations that will be all on one row. Your product(s) must meet the requirements to be in the Green Zone. Your company may wish to have a booth in the Green Zone for their sustainable products and booths in another location for other products. Please submit the completed Green Zone Requirements Document to exhibitors@metrocon.info for committee review.

METROCON GREEN ZONE REQUIREMENTS

Exhibitors within the Green Zone must meet at least **ONE** of the following criteria.

Please check all qualifications that apply to product(s) being exhibited:
